SPORTS WEDDING OF MISS ELLA CLARK AND DANA T. SMITH YESTERDAY

Dana T. Smith, the young lawyer who has offices with the well known law firm of Pierce, Critchlow & Barrette, was yesterday married to Miss Ella Clark, the pretty daughter of ex-Mayor John Clark. This was done quietly, but with all the ardor of two young souls with but a single thought and with R. H. E. two hearts that beat as one.

Accompanied by Chris B.-Diehl, the Accompanied by Chris B.-Diehl, the warm personal friend of the groom, Mr. Smith and Miss Clark went to the residence of Dean Eddie, pastor of St. Mark's cathedral, and in the rectory the marriage ceremony was performed by the dean in the presence of Mr. Diehl and another witness at the hour of 4 o'clock

faulted payments, together with inter-

in Litigation.

Maria L. Dewey, executrix of the will of the late Albert Dewey, was will of the late Albert Dewey, was yesterday made defendant in a suit filed in the district court by Elizabeth A. Dewey to recover several sums alleged to be due from the estate. Both the executrix and the judge of the probate division of the District court distallowed the claims presented, and the suit for recovery followed.

It is set up in the complaint that the decedent is indebted to plaintiff on a promissory note for \$500 made to her

the old grounds.

Now that a first-class park has been provided, the Ogden club thought it would be no more than fair to raise the price to 50 cents, in order to make it equal to all concerned.

Two Games In Lehi.

(Special Correspondence.)

Lehi, July 5.—The match game of baseball yesterday between the Lehi and Draper teams, which was played at the Saratoga Springs, was a most exciting game from the beginning. The considering that the time was made to no a dirt track, with a heavy grade up to the form the depth of the considering that the time was made on a dirt track, with a heavy grade up to the form the beginning. The five miles was made to no a dirt track, with a heavy grade up to the form the beginning. The five miles was made on a dirt track, with a heavy grade up that plaintiff managed defendant's business affairs in this city while he was a resident of Idaho, and that for this service the estate is indebted to her in the further sum of \$200.

neir favor, but in the last inning married men rallied, and when last man was out the score stood 26. As all were too tired to play her inning the purse was divided.

district, which plaintiff contracted on November 15 last to sell to the Fortune company for the sum of \$6,000. According to the complaint, the sum of \$1,000 was to be paid on or before January 1, 1990, \$500 on the first days of February. March. April and May, and the balance of \$3,000 on June 1, 1900. The payments of \$500 on May 1 and \$3,000 on June 1 are alleged to have not been made, and judgment is demanded for the sum of the two defaulted payments, together with interfaulted payments, together with inter-

Wants to be Administrator. James Johnston yesterday petitioned the District court to be appointed ad-ministrator of the estate of George Curtis, who died at his home in Sugar Ward on the 27th of last month, leaving Ward on the 27th of last month, leaving property valued at \$6,400, to be distributed to his heirs, who are two married daughters, one of whom resides out of the state. In the petition it is asked that a certain deed of gift and agreement drawn up but not signed by decedent, wherein Isabel Smith, R. L. McGhie and Catherine McGhie are named beneficiaries of the old gentleman's property, be not considered as man's property, be not considered as his last will, but that the estate be administered upon and distributed as in cases of intestacy. August 1 was the day set for hearing the petition.

Petition is Filed. A petition was filed in the District court yesterday by Mary Ann Kemp for the appointment of James W. Ca-hoon to administer upon the estate of husband, who died at Murray July, 1877, leaving real estate worth \$150, to be distributed to the widow and her two married daughters. The petition will be heard on August 1.

Bishop Woolley's Estate.

The inventory and appraisement of the estate left by the late Bishop Sam-uel A. Woolley was filed in the Dis-trict court yesterday. The document shows a total valuation of \$61,579.79, of which \$17,734.03 is in cash, \$26,438.71 in notes, mortgages and investment stocks, \$16,250 in real estate and improvements, and \$1,157.05 in property of a miscellaneous character.

Big Celebration Carried Out With No Mercur carried out the biggest Fourth of July celebration the camp has ever seen.

in the harmony.

It is said that there floated about in the air large gobs of harmony. One of the first to float was a controversy between Engineer Kelsey and Superintendent Hines. The engineer took up the statement of Hines that there was a water flow of 7,000,000 gallons per day from the wells in Liberty park. Kelsey said that he had measured the water and found that there were but 1. 500,000 gallons per day.

Liberty Park Water.

Liberty Park Water.

Hines is trying to induce the city to buy a pump, which he says is the only pump that will take out this water and it will cost the city \$12,000. He thinks that if the water of these flowing wells was added to the city's supply there would be much more water. Kelsey tried to show him that he did not know what he was talking about.

Dr. King had something to say about.

Was stopped, the young man, Jack, was found to be alive, but unconscious, his leg broken in two places and his head is ground to be alive, but unconscious, his leg broken in two places and his head had we placed on the train approach on the train and brought to Manti, where Dr. Olsten was removed to their home in Ephraim, where he youngest girl now lies in an unconscious, his leg broken in two places and his head had we placed on the train to place on the train and brought to Manti, where Dr. Olsten was removed to their home in Ephraim, where he youngest girl now lies in an unconscious, his leg broken in two places and his head had med brought to Manti, where Dr. Olsten was removed to their home in Ephraim, where he juildent and brought of the city of the hatten condensation of the placed on the train approaching, and that he did not have the train approaching, and that he did not have the train approaching, and that he did not have the train approaching, and that he did not head the train approaching, and that he train approaching, and that he did not head the train approaching, and that he did no

CACHE ASSESSMENTS.

Grand Total Reaches Over Five Millions-Teachers' List. (Special Correspondence.) Logan, July 5.—The county clerk ha completed the task of casting up the assessment totals for this year. There is all title change in his figures and those of the assessor, which were published in the Herald some time ago. The following additions have been made since the

amination was so rigid that but thritees passed. Their names follow: Lizzle Mc Cary and Louis McCary of Richmond Eliza Larsen of Paradise, Frances Wood and Nellie Larsen of Logan, Jane Bybe and John M. Anderson of Lewiston, John H. Peterson and Joseph W. Peterson of Smithfield, A. G. White of Mendon, Dians and Diantha Hammond of Providence and Ralph Jamison of Iowa.

CELEBRATION AT RICHFIELD. Tom Fitch Is Orator-Sports Are In-

teresting. Richfield, July 5.—The Fourth of July celebration in this city was the complete celebration in this city was the complete success that everybody had hoped for Thomas Fitch was the orator of the day. There were other pleasing features, among them being appropriate introductions to the various selections by H. N. Hayes, sentiment by Miss Maud Mount, representing "Utah," a speech by Miss Lizzie Baker, representing "Columbia," and a song by little boys dressed in bunting representing "Yankee Doodles."

The afternoon was devoted to sports and the big crowd was amused by races between boys and girls, young and old men, blevele races, climbing greased pole, catching greased pig, etc. The last were the most interesting, the contest between Roy Nellson's sorrel horse and Hy. Colby's brown being very close, the former winning a 400-yard dash by about a foor. The pavilion was crowded at night with dancers.

CELEBRATED AT COALVILLE Fourth Passes Off Quietly, Without

Speeches.

(Special Corresponde

Farmington, July 5.—There was a lively celebration of the Fourth ir Bountiful yesterday and the people of the city were out in force. The morning programme consisted of glees by the Bountiful choir, a ringing oration by I. E. Willey, orator of the day, reading of the Declaration of Independence by Willard Call, singing of the May, reading of the Declaration of Independence by Willard Call, singing of the "Star Spangled Banner" by Mrs. Alma Hardy, a history of "Old Glory," showing the evolution of the flag, by members of the primary association; a speech by Charles R. Mabey, on "The Flag of Our Nation," and a humorous song by a bevy of Bountiful's pretty girls. The programme closed with foasts, responses being made by Mrs. Jane Holt, Jed Stringham and others.

BAD CROP REPORTS.

Utahn Tells of Marsh Valley, Utah, Conditions.

(Special Correspondence.)

108 75
Kaysville, July 5.—Oscar Barnes, a former Kaysville boy, who has come from Marsh Valley, Ida., where many Utah people are located, reports that cereal crops are almost a failure in that locality. The dry weather has almost entirely destroyed the fall wheat and much of it is being cut and stacked for feed.

Soring wheat is in a somewhat better condition, but unless rain comes almost immediately the yield will be very light. The prospects for farmers there is far from bright, and it will be particularly
